Employment Training Specialist Certification Program

The Employment Training Specialist (ETS) Certification Program

is a workshop designed to provide participants with specific skills in supported & community employment, job development, and training for students in transition. Successful completion of the course will result in certification through Michigan APSE.

Who should attend?

Job coaches, employment training specialists, job developers, clubhouse staff, supported employment program coordinators, rehabilitation counselors with supported employment responsibilities, as well as rehabilitation service providers and those involved with school-to-work transition.

Instructor

Cathryn Maddalena, B.A.
Trainer/Consultant Specialist

Cathy is currently on leave from Michigan State University where she is an outreach academic specialist for Projects for Community Inclusion.

Topics Covered Include:

- Person centered employment planning
- Job development & marketing strategies
- Employer negotiations
- Work site analysis
- Job selection/matching
- Task analysis
- Instructional strategies/data collection
- On-going support services
- Natural supports
