**September 17th, 2010**

**9:30am-3:30pm**

**Registration: 9:00am**

**Location:**

Lansing Community College  
5708 Cornerstone Drive  
Lansing, MI 48917

**Cost:**

**\$25.00** for Current Members

**\$50.00** for Future APSE  
Members

(Includes breakfast, lunch,  
and program handouts)

Please register no later than  
**Friday September 10, 2010**

## The Featured Presenters:

**David Lynde** is co-director of the Dartmouth Evidence-Based Practices Center at the Dartmouth Psychiatric research Center. David provides technical assistance, consultation and training regarding the implementation and sustaining of evidence based practices.

**Steve Savage** Steve is a teacher, trainer, consultant and co-owner of Sandy/Savage and Associates. Steve provides consultation to improve transition outcomes for students, develop Indiana's Business Leadership Network and assist individuals with micro businesses and self employment.

**Duncan Wyeth** is Executive Director of Michigan Commission on Disability Concerns. Duncan serves as lead staff to 13-member, governor appointed Michigan Disability Concerns Commission and adjunct faculty in MSU Department of Rehabilitation Counseling & Disability Studies.

**Participants  
will be entered  
into a drawing  
to win prizes!**

## Learning Objectives:

- Learn about new and successful employment models for individuals with developmental disabilities
- Receive information about the critical components of recovery that are embedded in evidence based supported employment and how individuals are working on recovery through employment
- Get energized and celebrate the variety and diversity of persons connected with the disability community
- Network with other professionals and advocates who are working for full integrations of citizens with disabilities in employment

There will be a 15% service fee on all cancellations that are not received by end of business on Friday September 10, 2010

To register via phone, for more information, or help with directions please call FOCUS Training at 866-412-8767.
